

NIFTY HOOPS GUTTER MOUNTING PLATES

What's Included:

Each mounting plate includes all necessary nuts and bolts for:

- Attaching the plate to the hipboard
- Securing the gutter hanger to the plate

(Note: gutter hangers themselves are not included and must be purchased separately)

Our new gutter mounting plates are designed to be used with standard vinyl gutter components available from Menards (purchased separately):

- [KP U-Snap White Vinyl Gutter Hanger](#)
- [KP U-Snap 4-1/2" White Vinyl Gutter](#)
- End-caps and downspouts available at Menards as well

Important Use Note:

These gutters are not designed to carry snow loads. They should be removed prior to the winter season to prevent damage.

Installation Guidance: Maximum recommended spacing: 3 feet between gutter hangers.

Pricing: \$5.52 per mounting plate (hardware included) plus shipping

Number of hangers for both sides of a structure by length:

Length (ft)	Plates	Price (\$)
48	34	187.68
60	42	231.84
72	50	276.00
84	58	320.16
96	66	364.32
108	74	408.48
120	82	452.64
